Project Title: Son Heung-min

I'd like to build this site as a long single-page website with a sort of table of contents that brings you down to each respective section. I want to utilize the surplus of content and photography to build out an intricate page that collages well.

- **Home Page/Introduction** – Introduce Son Heung-min and some of his accolades
- **Early life and academy** - Leaving home at a young age, Son moved to Germany to join Hamburger SV's academy
- **Professional debut** - Son made his professional debut in Germany at club Hamburger SV
- **Senior career** - Son currently plays for Tottenham Hotspur, a British club that plays in the English Premier League
- **National Team** - Captain of the South Korean national team, Son has led his nation to international glory.
- **Awards** - Son has won many personal awards, most recently winning the Premier League 21-22 Golden Boot
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
