Meeting Notes:
- One long timeline page that allows users to scroll up and down.
- Utilization of side timeline table of contents bar that takes user to a specified date, which then allows users to see what happened before or after the chosen event.
- Utilizing different type relationships, maybe some Korean type.
- Color: utilizing the colors of Son's respective teams (not too obvious/overbearing)
- Format
    - Introduction/Important Accolades
    - Early life/Academy
    - Senior Debut/Career
    - National Team
    - Awards
    - Sources

Font wise: most likely Sans with the fusion of Korean type as design

we met in person!
